About EC – HISTORY

THE ORIGINAL PRINTED MAGAZINE - QUARTERLY

Launched in November 2007 by wholesale giant Bestway with a circulation of 50,000 copies, *EC* quickly established itself as the widest circulating business-to-business title serving the UK's diverse catering industry. As a feature-based quarterly magazine, *EC* became an essential read for the growing number of Bestway and Batleys' catering customers across a myriad of foodservice establishments.

THE ONLINE MAGAZINE - MONTHLY

Launched in February 2014 Issue 26

Research with our customer base highlighted that readers valued and respected *EC* but wanted a more frequent publication that included industry news and analysis in addition to features. Readers also favoured a publication that offered them greater interactivity with the opportunity to view whenever and wherever they choose.

As a result, *EC* became a monthly online-only version. The entire catering customer databases of Bestway and Batleys – covering all sectors including cafés, restaurants, takeaways, pubs and clubs – are notified each month via email of the release of the latest issue. In addition, the magazine is available directly via the Batleys, Bestway and Bestway/Batleys Foodservice websites extending its reach to an even greater audience.

Editorially, it is written by the same dedicated team to the highest standards and includes more news-based stories, features and useful product information and offers.

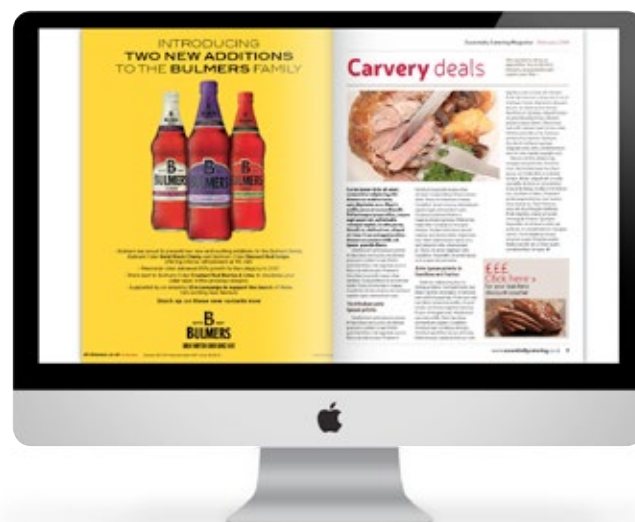

OPPORTUNITIES FOR ADVERTISERS

For advertisers, *EC* offers immense opportunity to engage further with caterers. In addition to weblinks to your website, you can also embed video messages, recipe ideas, serving suggestions etc, into your advertisement. Your ad campaigns can be promoted around certain key activities each month.

Our advertising rates offer great value so please contact our advertising team members with your enquiries.
